Subject: UNLOCKING NEW OPPORTUNITIES

Dear Sir/Madam

I would like to introduce myself as an applicant for the job position at your Firm With my extensive work experience and formidable education as the foundation for my skills and abilities, I believe I can be a valuable team player at your firm.

At my Current position as **Manager** of **Janoob Al Madeena Modern LLC** - A Hyper Market in Oman , I effectively managed employees there . All of them directly reported to me. I was responsible for overseeing the opening and closing of the store, ensuring that payroll was processed on time, auditing time sheets, and handling employee and customer concerns professionally. My biggest priority was ensuring that the store ran smoothly and that all issues were addressed in a timely manner. and also I manage hardware and software configuration.

In addition to that I was in Customer Support team and System Administrative area. In this diverse background I believe I could manage a team effectively .And I'm a Diploma Holder in Computer Engineering from Union Christian Polytechnic college , I am well-versed in many aspects of business, including the technical portion. However, my education and work experience are tied together by my ability to empathize and communicate with others. I like to make people smile. It brings me great pleasure when an employee is truly succeeding and I get to promote them. It is also very rewarding to please my customers.

Thank you for your consideration for me for the position available there . I look forward to learning more about the company and its customers. I am positive that my education, care for others, and work experience will allow me to succeed as Manager.

Yours sincerely,
MUHAMMED SAJINU
